

The GET KNOWN, GET CLIENTS™
4-Month Virtual Mastermind

Monday, July 22nd - Friday, November 22nd
(Enrollment ends on Friday, July 19th at 2pm ET)

Are you longing for a 6-figure business helping clients you love?

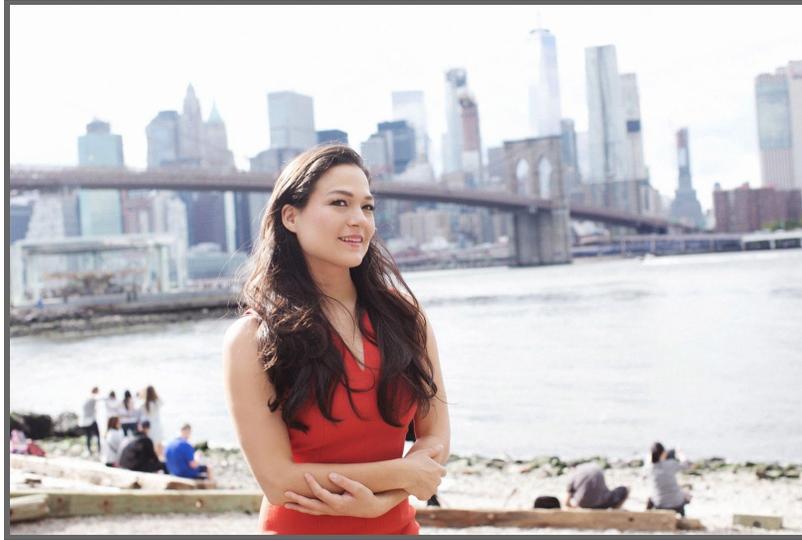

Do you feel like you have something great to offer, but have no idea how to package or price it?

Or do you have an amazing offer, but struggle to get the right clients who can pay what you're worth?

Do you wish you had a mentor (or two!) who could give you personalized feedback on the things you're struggling with in your business?

I understand your struggle, and I believe things can be different for you.

Let me and my team personally help you in our high-impact business mastermind.

I'm Selena Soo, and early on in my business I joined a \$27K mastermind that transformed my life. It was the reason why I made \$157K in my first year as a coach.

To be honest, **I never thought I'd have the ability to be a high-income earner.** I used to make \$42K working at a nonprofit, and I lived in a tiny NYC studio to match.

On top of that, I was naturally shy and introverted.

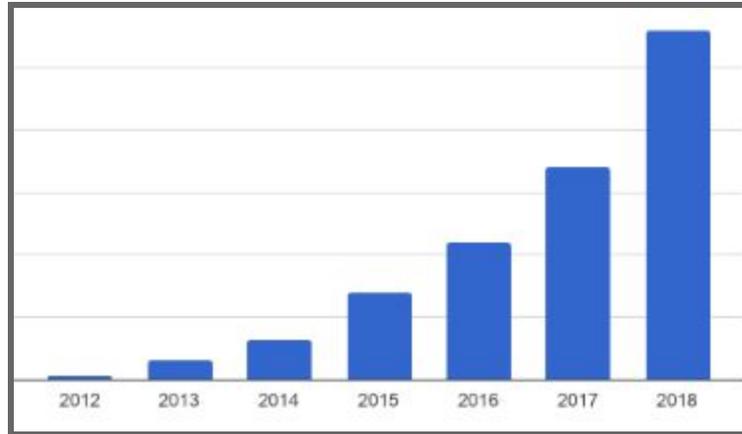

Putting myself out there felt scary. Sales conversations gave me massive anxiety.

As someone who comes from a heart-centered place, I questioned whether I had the right personality to become a successful entrepreneur.

But thanks to that first mastermind experience 7 years ago, I experienced major breakthroughs. **I've been able to grow my revenue from zero to multiple 7 figures, with exponential growth each year.**

I've helped over two thousand clients and students create their dream businesses and impact thousands (even millions) through high-profile visibility.

Oh, and that tiny NYC studio? It's become a spacious, breezy home in Puerto Rico with sweeping views of the tropical land and sea. I also have the freedom and flexibility to work remotely and grow my business while traveling around the globe to my favorite cities.

My company's annual revenue

I believe that powerful transformation and success is possible for you, too.

Whether it's becoming the go-to leader in your industry, transforming countless lives through your work, generously providing for your family, or being able to work anywhere in the world...

You too can create your dream business and life. Let me show you how...

On paper, that's a \$13,982 value. But again, the real value to you and your business will far exceed that.

Let me ask you a question...

How much money do you truly wish to create in your business this year? Write that number down.

Imagine making that amount of money this year, and even more next year, and even more the year after. How much more revenue would you be generating that you wouldn't have before?

\$30,000? \$100,000? \$300,000?

And what does this actually mean in your life? What problems go away?

- **Can you finally stop being that best-kept secret** -- and start transforming more people's lives?
- **Will you have the time freedom to spend time with your family** and go on those vacations you've been dreaming about?
- **Will this bring balance to your relationship**, so not all of the financial pressure is on your partner's shoulders?
- **Can you leave the job that's sucking you dry** and finally do the thing you really love each and every day?
- **Are you tired of settling for a mediocre life** when you know deep down you were made for something more?

I have big goals for our work together. I want this mastermind to literally change your life.

And I want to make an *incredible* offer to you...one that you would be crazy to say no to.

You see, people currently pay \$25,000+ to be a part of my year-long business mastermind. For this 4-month program, \$8,000 would be a fair price to charge.

But I want to make it easy for you to say yes, which is why...

[You can join the Get Known, Get Clients Mastermind today for just \\$2,500 or 2 payments of \\$1,350.](#)

This is a completely unbeatable deal. And I have to tell you, everyone who hears about it tells me I'm crazy for offering it. But I don't see it that way.

You see, there's **one specific reason** why I'm making the price of this mastermind so low...

I'm committed to over-delivering for you and
radically transforming your business and life.

Because when that happens (and you're finally doing the thing you love + making more money than ever before),
you'll become a client for life.

- You'll feel a sense of deep pride and accomplishment that you've never had before...
- You'll feel excited for your bright future and all the amazing things that are possible for you...
- You'll feel fulfilled because you made a powerful decision to invest in yourself and your dreams...
- You'll feel at peace because you know you gave your business your all and chose to live up to your full potential...

There's no reason to stay frustrated and stuck in your business.
There's an easier way -- and it's within your reach.

Let me and my team show you how to grow to 6-figures and beyond, so you can do what you love each day, help more people than ever before, and create a life that brings you true happiness and fulfillment.
